CHANGES TO EXECUTIVE LEADERSHIP

Our Chief Pension Officer, Susan Kay-Dunn, will be stepping down in October. The Board of Trustees thank Susan for her years of service and dedication to WISE Trust. Susan was the very first employee of WISE Trust and successfully lead the first JSPP conversion in Ontario. We are grateful for Susan's strong and compassionate leadership.

With the departure of our Chief Pension Officer, the Board of Trustees are pleased to announce that Chris Brown will be joining WISE Trust in the newly created Chief Executive Officer (CEO) role.

Chris has extensive experience and expertise leading pension and investment strategies, policies, and teams to deliver unprecedented value to members and pensioners. Most recently, Chris was the President and CEO for Local Authorities Pension Plan (LAPP) Corporation in Alberta where he led the transition of the organization to a jointly sponsored pension plan and built the organization.

Chris will be joining WISE Trust in November. More information on Chris will be shared on our website and LinkedIn page in the coming months.
