Saving versus Investing?

No matter where you are along your working career, it's never too early, or too late, to save for retirement. Looking for more information and educational resources on how to build that nest egg? Check out the Ontario Securities Commission "[Get Smarter About Money](#)" website for unbiased resources that help Ontarians make good financial decisions.

Saving and investing are both ways of setting money aside for the future. Both involve growing your money. And both should involve goals that make sense for your personal situation...
